Party Shots

1 SHOT SINGLE 120K | 2 SHOTS OR MORE 100K EACH

1. **KAMIKAZE • Vodka • Triple Sec • Lime Juice**
   This mixture of vodka, orange liqueur and lime juice is so refreshing & tasty that it is dangerous. The shots are popular because they go down smoothly. But don't let them fool you, they are sneaky little critters. They will have you moonwalking on the dance floor in no time!

---

2. **BLOW JOB • Kahlúa • Baileys • Whipped Cream**
   With a name such as Blow Job, it is easy to see why this shot is so popular. Friends enjoy hearing their one friend order Blow Jobs with just a hint of embarrassment. Yet, it is quite tasty. The shot is made from Kahlúa & Baileys Irish Cream. It is then topped with whipped cream. Now, the fun part. The shot needs to be taken without using your hands!

---

3. **RED-HEADED SLUT • Jägermeister • Peach Schnapps • Cranberry Juice**
   Another catchy name, this shot is made of cranberry juice, Peach Schnapps & Jägermeister. It is very sweet & lightened up by the addition of the cranberry juice. Just try to keep a straight face when ordering

5. **MIND ERASER • Vodka • Kahlúa • Club Soda**
   True to its name, if you are out for the night with your buddies, you just may want one of these shots. It is a mixture of vodka, Kahlúa & club soda. Served in a cocktail glass & sucked quickly through a straw for maximum numbness

6. **LEMON DROP • Vodka • Lemon juice • Triple Sec**
